Summary

Enthusiastic and driven IT student currently pursuing a Bachelor of Science in Computer Science at Maseno University, with a strong academic background in computer literacy, web design, networking, and IT support. Currently interning in User Experience Technologies and started an internship in Web Development in June 2024. Possesses practical experience as an IT Instructor at Computers For Schools Kenya, where I taught computer packages and hardware maintenance, and as a Refurbishing Department Technician at CFSK Institute of ICT, where I successfully refurbished and repaired laptops and computers. Additionally, gained hands-on experience as an E-waste Management Intern at WEE Center.

Proficient in HTML, CSS, JavaScript, Python, and C#, with a solid understanding of digital marketing principles acquired through a course at Great Learning. Knowledgeable in SQL, certified in CCNA 200-301 Network Fundamentals, and skilled in responsive web design. Seeking a challenging role to apply and further develop my technical skills in a dynamic environment.

Education

Bachelor of Science in Computer Science
Maseno University, Kisumu, Kenya
Start Date: 2022 - Present
Relevant Coursework: Computer Literacy, Web Designing, Networking, IT Support

Shikunga High School
KCSE Exam: 2021
Grade: A-

Certifications
